

# SSO SURGICAL ONCOLOGISTS FOR SUSTAINABILITY

## Did you know?

~50 telemedicine visits can reduce the equivalent amount of CO<sub>2</sub> as is generated by driving a car for an entire year?

## Cost, Travel, CO<sub>2</sub>

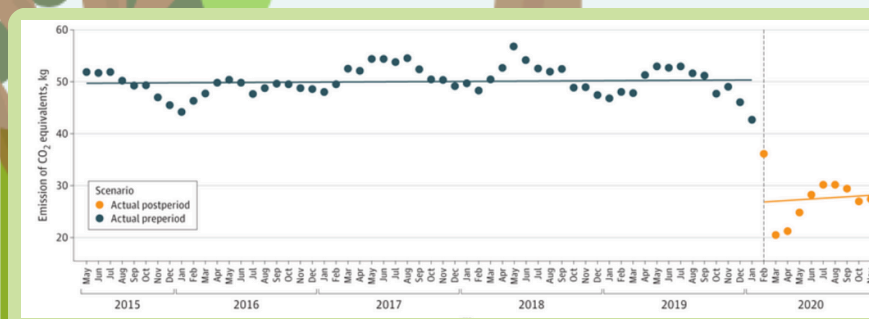

Over a 22 month period, ~3.2 billion Km in patient travel was avoided

For patients who live >60 minutes from the appointment, mean savings of 98.6 kg CO<sub>2</sub> per visit

## What can I do this month?

Consider switching some visits to telemedicine!
