Virtual Meet & Greet – Participating Programs by Session and Region

The Breast Surgical Oncology Fellowship virtual meet & greet for the 2027 Match takes place on Thursday, November 5, 2026.

The event will take place as two one-hour sessions, with programs grouped by geographic region. During each session, each participating program will host its own Zoom breakout room, where you can meet faculty and ask questions. A separate breakout room led by breast fellows will also be open for general questions about fellowship training. You are free to move from room to room throughout the session, and we encourage you to visit several programs to make the most of your time. You are welcome to attend both sessions. As each session nears its end, breakout rooms will receive a reminder to wrap up, so plan to ask any final questions before then.

Meet & Greet Session 1 – 5–6 PM PT / 7–8 PM CT / 8–9 PM ET · Participating Programs by Region		
Northeast (8)	• Beth Israel Deaconess Medical Center • Brown University/Women & Infants Hospital of RI's Breast Health Center • Columbia-Presbyterian Medical Center • Mass General Brigham Cancer Institute	• Montefiore Medical Center • NYU Langone Medical Center • University of Massachusetts Medical School-Baystate • Vassar Brothers Medical Center at Nuvance Health
